Statistics for Mission

Population: 6,568
Households: 2,223
Area (sq km): 1.55

Data prepared by the Statistics for Mission Group of the Church of Scotland for use by congregations and Presbyteries of the Church. This profile is based on the data currently available from the 2011 Census. As more data is released, this profile will be updated with further information.

Church of Scotland parish and presbytery boundaries are based on data provided to the Statistics for Mission team to September 2013. Any errors or omissions should be reported to the Presbytery Clerk for onward transmission to Ministries Council.

Population, Household and Area counts are based on output area data from the 2011 Census as released on 15 August 2013 by National Records of Scotland. An output area is associated with a parish if its population weighted centroid falls within the parish boundary.
