

Praying at "Newington Trinity"

Therefore if you have any encouragement from being united with Christ, if any comfort from his love, if any common sharing in the Spirit, if any tenderness and compassion, then make my joy complete by being like minded, having the same love, being one in the spirit and of one mind.

Philippians 2:1-2

Let us give praise and thanks ...

- that we are united in Christ
- and that God has made each of us different, and we can celebrate this
- for the return of Messy Church and the joy to welcome new and familiar families
- as we celebrate the Harvest let us be thankful for the abundance we have
- the NT Young Adults news to the congregation, their joy, action and enthusiasm

Approaching the union and "Newington Trinity" becoming real, let us pray...

- for the Pioneer group wanting to see the congregation enthused and excited by the Pioneering opportunities and how we can share our faith
- for each congregation, as there are and will be changes ahead, help us not to "fret" and to look to the future
- for all the events that are happening in the the next few months and that each us will ask God to help us to decide our own priorities

Let us pray for a peaceful world...

- for Palestine and Gaza and Israel
- For Lebanon, Yemen, Iran and Israel - and the involvement of the USA, the UK and other countries
- and for leadership at this time, for wisdom and compassion, justice and peace
- and that the continuing conflict between Ukraine and Russia will finish

Pray for our community...

- and the development of Southside Faith Care. as different groups start; how the Pioneering Ministry can work with them
- as the term has started let us pray for CAMEO, for the links they make and support they give
- and also in our new parish, for the many students in Blacket, Romero and Pollock Halls as well as in the many flats- for the welcome and support we can give

Let us pray ...

- for neighbours, family and friends- their faith, health and happiness
- for our own joys and concerns, how we nurture our faith and share what we have.
